## FREQUENTLY ASKED QUESTIONS

### What services do we provide?

Interim Housing programs under LAHSA and the County Health share [Minimum Practice Standards](#) for shelter sites and operation. Each program provides regular meals, showers, and case management, as well as access to a bed.

In addition to these minimum standards, LAHSA's programs are guided by a program specific Scope of Required Service: [Crisis/Bridge Housing SRS](#)

### Can I drop someone off?

Did the program tell you there was a bed available?

To be sure that a person is connected to Interim Housing be sure that:

1. A bed is available
2. A program staff person acknowledges you or your person's arrival

This is what we call a "warm hand-off".

### Are these locations open on weekends?

Yes, these programs all operate daily, serving the people in their program with –at minimum - meals, referrals, and a bed nightly. Staff are not always available to bring in new people.
