**Re: RADT Certification Training Voucher Request for Eric Lewis**

This letter is to confirm that Eric Lewis is currently enrolled in treatment at Muse Treatment Center and is requesting a training voucher to cover the cost of Registered Alcohol and Drug Technician (RADT) certification through the California Consortium of Addiction Programs and Professionals (CCAPP).

**Training Program Details:**

- Certification: CCAPP Registered Alcohol and Drug Technician (RADT)
- Purpose: Professional certification to work in the substance use disorder treatment field

**Voucher Usage:** The requested DPSS voucher will be used exclusively to cover the following RADT certification expenses:

- CCAPP RADT training course tuition
- RADT certification examination fees
- Required study materials and textbooks
- Application and processing fees

**Employment Goals:** Mr. Lewis is actively working toward securing employment in the behavioral health and substance use disorder treatment field upon completion of his treatment program. Obtaining RADT certification is a critical step in achieving this employment goal, as it is a required credential for entry-level positions in California treatment facilities.
